

1) What is your favourite dish, colour, and liquor

Dish Pizza

Colour Black or colours occurring in nature green trees, blue sky, brown earth

Liquor Bourbon Whiskey

2) What place in the world would you like to visit

There are many places in South America I have been to that I would like to visit again

3) If you were to live on a deserted island or in a crowded city, you would choose...

I don't know how I could chose that. Its a hypothetical question that I will never have to choose

4) Had you not become a musician, you would be...

Sad as fuck

5) What negative attribute of a man is the lousiest

Violence

6) What was the first cassette or CD you bought with your own money

Maybe Faith No More the real thing in 1991 I don't remember. But I'm old enough to remember buying my first record in 1986 and that was Micheal Jackson Thriller. I was 6 years old

7) Give us three of the most influential albums on the development of metal music.

I don't know.

8) Do you do any sports Or maybe you watch some on the TV

No sports. I've never been interested in sports.

9) What situation during a tour do you mention most often

Whats the wifi password

10) What would you do if you won 5 mln Euro in a lottery

Probably the same things I do now travel and play music

11) What would you like to accomplish with music

Being true to myself in a way the exudes authenticity and creates an intimate and personal relationship with my audience

12) An album you'd never put into your CD player

Anything I know to be racists, homophobic, patriarchal or nationalistic

13) Who did you want to become as a child

I don't know. My father maybe.

14) What dish you did (not) enjoy to eat, but you could not say "no"

I don't love sun dried tomatoes

15) The strangest gift you've ever received from a fan

I don't know

16) What's the worst album by your favourite band

I don't have a favourite band nor do I pay much attention to the best or worst albums of musicians I do like.

17) What pisses you off the most in the world

racists, homophobic, patriarchal or nationalistic fear

18) Songs albums bands whose phenomenon you do not understand even if they are legendary

I don't know

19) What's the best TV show you've ever watched

Maybe Battlestar Galactica

20) The stupidest thing you've done in your life

The stupidest things I've ever done in my life or too fucked up to share publicly and that's why I have a therapist a psychologist and psychiatrist to talk to
